### SIMPLE REMINDERS

**Modifications:** Please remember to work with the HOA if you plan on installing a shed, pergola, pool, landscaping, or staining your fence.

**Trees:** Please remember the importance of having alive trees on your lot. The Association will conduct a tree audit in late summer or early fall to observe dead or missing trees on lots. Interior lots need two living trees and corner lots need three living trees within the front yard.

Also, once your tree has reached the 12 months mark or so, it's important to remove the "t" posts attached to the tree.

**Grass Clippings in Street:** Thank you to those who bag their excess grass clippings. Please note that it is a city violation to blow or leave your grass clippings in the street.

**Pet Waste and Leashed:** Kindly respect our environment and clean up after your pet. It's a social and lawful responsibility.

**2. Restrictions.** The following activities are prohibited at Little River Trails unless expressly authorized by, and then subject to such conditions as may be imposed by, the Board:

**2.1 Parking.** Parking any vehicles on public or private streets or thoroughfares, or parking of commercial vehicles or equipment, mobile homes, recreational vehicles, golf carts, boats and other watercraft, trailers, stored vehicles, or inoperable vehicles in places other than enclosed garages; provided, construction, service and delivery vehicles shall be exempt from this provision for such period of time as is reasonably necessary to provide service or to make a delivery to a Lot or the Common Area;

**2.3 Noxious, Offensive Activity.** Any activity which emits foul or obnoxious odors outside the Unit or creates noise or other conditions which tend to disturb the peace or threaten the safety of the occupants of other Units or uses of the Common Area;
